MONTHLY NEWS

JUNE 2018

Red Nose Day

Red Nose Day is a national fundraising campaign run by Comic Relief USA, an American non-profit organization which uses the power of entertainment to drive positive change. Red Nose Day is about making it fun to come together to raise money and awareness for children who need our help the most, in America and around the world. Red Nose Day's mission is to end child poverty — one nose at a time. The CountrySide family turned out in force for the day, red noses all around!

From the Director's Desk

Welcome to June. I don't want to complain about the rain, but WOW.....

We will be complete with the exterior renovations by the end of this month, good Lord willing and the creeks don't rise. We will then start to replace all the screens on the porches. The new gutters have certainly been put to the test already.

I want to thank of the residents and families that participated in the Hydrate a Hero water drive for our Port Orange Firefighters. We were able to provide 800+ cases of water for them this year. The men from the Fire Dept came to collect the cases of water, they made two trips with trailers and trucks and said, "what are we gonna do with all this water." The Fire Dept ended up calling the City Operations Dept for help. The donation

resulted in enough water that it will be stored by the city and sent out to all departments as needed. This was a HUGE success. I am very proud of the effort put forth by everyone involved. Stephanie did an AMAZING job finding corporate donations and keeping things organized. We will aim for 1,000 cases next year.

We will be having our annual Hurricane meeting on Monday July 9th at 10:30 am. Please mark your calendar for this. We would like to make sure everyone is informed and comfortable with all the procedures. I look forward to seeing all who can attend.

June also brings us Father's Day. This is the day intended to celebrate fatherhood and honor our fathers. For me, being a dad is the most important job I have. Even though my sons are older

now, I will not stop being a role model and positive influence in their lives. I owe it to them and to our society to give them the tools and determination to be leaders and good decision makers. That will be my job until I am no longer able. Please take a minute or two of your day and reach out to your dad and remind him of the great job he did. If you are like me and your father has passed, thank a father for raising his children.

Make a difference today.

Charlie

Bella's Corner

Bella is always making new friends! Lilly is a young lady that enjoys coming to our community and helping with activities, arts and crafts, and just being a joy to all who come to know her. Bella is especially fond of Lilly and runs to greet her as soon as she sees her!

Follow Bella's photos and videos online at CountrySideLakes.com

After you check out Bella's videos, connect with us on social media to keep up with CountrySide News and Good Shepherds updates! Help spread the word by liking and following us at the sites below.

RESIDENT SPOTLIGHT

Barbara Tillis

Barbara Tillis move into Countryside Lakes in April and has brought so much joy and kindness to all who have met her. She enjoys time with her beautiful daughters, church activities, and is a superstar at crosswords. She always has a positive word for the staff and is excited to be part of our community projects. Barbara we are so lucky to have you!

Congratulations Barbara!

Being social is ageless.

Cinco de Derby

Everyone had a great time celebrating Cinco de Mayo and the Kentucky Derby!

Arts and Crafts: Fathers' Day

These ladies had a lot of fun gearing up for Fathers' Day!

Interesting Facts About JUNE

- ❖ June 5, 1968 – Robert F. Kennedy was shot and mortally wounded while leaving the Hotel Ambassador in Los Angeles. The shooting occurred after a celebration of Kennedy's victory in the California presidential primary. He died at 1:44 a.m., June 6, at age 42, leaving behind his wife Ethel and eleven children, the last one born after his death.
- ❖ June 14, 1951 – Univac 1, the world's first commercial electronic computer was unveiled in Philadelphia. It was installed at the Census Bureau and utilized a magnetic tape unit as a buffer memory.
- ❖ June 15, 1215 – King John set his seal to Magna Carta, the first charter of British liberties, guaranteeing basic rights that have since become the foundation of modern democracies around the world.
- ❖ June 18, 1983 – Dr. Sally Ride, a 32-year-old physicist and pilot, became the first American woman in space, beginning a six-day mission aboard the space shuttle Challenger, launched from Cape Canaveral, Florida.
- ❖ June 30, 1971 - The 26th Amendment to the U.S. Constitution was enacted, granting the right to vote in all federal, state and local elections to American citizens 18 years or older. The U.S. thus gained an additional 11 million voters. The minimum voting age in most states had been 21.
