CSL32127

From the Director's Desk

How can 25% of the year be over already? We are coming into the best time of the year when the weather is perfection and we can enjoy the beautiful outdoors around our home.

Vaccinations are completed, we will continue to update everyone as the CDC, DOH, and State of Florida makes changes to regulations. We know how difficult this has

been on everyone and we are truly amazed at how great you all have rallied to be part of the solution, be careful, mask up, and stay healthy. Thank you!

We know that your friends mean a lot to you. Why not make them a neighbor. Remember you get a referral bonus if someone you know moves in.

Each day is a new opportunity to enjoy a hobby, share stories with a new neighbor and have fun with friends. Make today a great day.

Michaelene

Bella's Corner

Follow Bella's photos & videos

   @CSL32127

Bella is so happy to be back at work! She looks forward to all the love we have to share with her.

Spring time is rough for humans and can be for dogs as well. If you have pets, be sure to wipe their paws after walks to help limit the exposure to allergens such as pollen. They can have allergies the same way we do.

Bella helped decorate for Easter and we know she will be the best egg hunter there is. It is funny to see a fireplace as we usually don't need it here in Florida.

Meet our newest friend and pawrific four legged resident Stella. Stella's human is Bill Andrasco and she loves him very much for adopting her. She is a Schnauzer and a very sweet girl who is happy to have so many friends to pet her and love her.

Stella loves treats and to just sit in your lap. She enjoys long walks around the ponds and likes to see all of the squirrels and ducks.

Welcome Stella we are glad you and Bill are here with us!

RESIDENT SPOTLIGHT

Dan Herr

Welcome our new friend and neighbor Dan to our community. He is such a kind and thoughtful person. He was born and raised in Goshan, Indiana, attended Goshan College and the University of Indiana, completing his Masters degree in Library Science. Dan has a sister and two brothers. His older brother lives here and he moved to Florida to be close to him.

Dan never married, although he says 2 or 3 wanted to! He spent 30 years of his life in Anderson, Indiana where he worked at the library, and pursued his hobby of art. Dan has a wonderful collection of post cards, some which he drew, photographed, and won awards for. His postcards were printed and purchased!

Dan has already made many friends here and is enjoying getting to know everyone. We are so happy to welcome you to our community!

April 1-28, 2021

Activities are shown in red.
Wellness classes are in blue.

The History of You

Our residents are truly one of a kind and we want all of you to be able to share your story. Activities will now include The History of You. You can schedule a date with Stephanie to talk about your life and share some of your amazing experiences and knowledge with your friends and neighbors. Don't like to talk in front of groups of people? That's OK – Stephanie will happily help you write your story and tell it for you.

This is a great opportunity for all of us to learn about each other. You never know where you may find inspiration, shared interests, or just hear a tale that brings joy to your heart.

When we learn about people it brings us closer together, creates a connection of unity, family, and mutual love and respect.

Facing Our Challenges Together

The nursing department is trying to get through the challenges by sharing great food and having some fun together, having fun with their wardrobe, and most importantly they enjoy being with you everyday.

You can always find Andrew working hard either on an A/C unit or a sandwich!

Spring is the perfect time to get into shape and stay active. See the exercise schedule in blue and keep an eye out for water aerobics soon.

CountrySide Lakes was a proud sponsor of the City of Port Orange "Senior Games", a one week Olympic style competition held last month. Due to an inactive pandemic year, this year's event was called "Back to the Fun 2021". The competition was open to anyone 50+ years old and took place in various locations in Port Orange. Some of the events included tennis, swimming, golf, softball, and pickleball. We help participants stay hydrated with bottled water in our popular koozie beverage holders.

Daytona Beach Celebrated their 80th anniversary of Bike Week. It was a very good boost for the city and all of the stores and restaurants who rely on their visit to keep their businesses going. They sure do make some incredible motorcycles!

Welcome Debra!

Debra is now a valuable member of our housekeeping department. Debra is from Ocala, Florida and is a wife, mother of seven beautiful children and grandmother to fifteen wonderful grandchildren. She has been in the Daytona area for a little over two years and is enjoying all the town has to offer. In her spare time she sings and we are excited to hear she would be happy to sing for us one day. Her husband plays guitar and they share these gifts mostly in church. They attend church in Umatilla where he is in the band and she is in the choir. We are so glad you have joined our team and our family. We look forward to getting to know you better and hope you love being here as much as we all do!
